Mornings cover theme-related, project-based STEAM related activities called “Brain Gain.” Lesson plans are centered on campers’ interests and are related to the weekly theme. Brain Gain activities include: Jeopardy, team Sudoku, team Scrabble, and the history of Independence Day.

Twice a week, campers will step into West Valley’s traditional challenge zone, where campers come together for “Group Gather.” Group Gather unites campers with games and activities such as a team-spirit challenge, a watermelon eating contest, and tug-of-war.

Throughout the day, campers will have access to our recreational room—the Wildcats Lounge—and will take part in two different activity rotations. Rotations include chess, interactive sports, exploring the arts, and science.
